

Name First Name: Ms JULKUNEN-TIITTO Riitta

Function: Professor in Biology, plant ecology

Affiliation: University of Eastern Finland, Department of Biology

Address: Länsikatu 15

Postal Code, City: 80100 Joensuu

Country: FINLAND

Email: rjt@uef.fi

Website: <http://www.uef.fi/biologia/rjt>

Involvement in the COST Action: Member of MC, Member of WG1

Research interest

Development of novel, environmentally friendly, biocompounds (biopolymers) for wood surface modification

Specialized technique available in my lab

Lab equipment for

- Artificial weathering tests for UV-irradiation, humidity, temperature
- Fungal bioactivity tests for wood preservatives
- Analytical possibilities use in HPLC/MS (single quadrupole, qtof) and GC/MS (quadrupole), and colour tests
